 named Jensen, ran into a buggy  
 driven by Joseph Greenhalgh, Sr.,  
 Saturday evening, about 7:00  
 o'clock, on Second West street.  
 Mr. Greenhalgh was thrown out  
 of the buggy, but luckily es-  
 caped any serious injury. The  
 windshield on the auto was

**THE UNIVERSAL CAR**  
**The Ford Coupe**  
**M**ORE and more this fine enclosed car for two—but it will  
 carry three—is growing in popular demand. Strongly  
 built, the body rests upon that marvelous Ford chassis.  
 It brings to its owner every modern-day convenience;  
 easy riding—while sliding plate glass windows make it breezy and  
 cool in hot weather; dust-proof and water-proof when the windows  
 are closed—it is cosy and comfortable in inclement and wintry  
 weather. Then there is the durability of the car, coupled with the  
 low economy of first cost and the saving of money in operating  
 expense. Behind it, and every other Ford car, is that unsur-  
 passed "Ford After-Service" which is given by the army of Ford  
 dealers scattered all over the country, together with some 15,000  
 authorized garages, until the Ford owner is always within immedi-  
 ate touch of dependable, reliable service, where the genuine made  
 Ford parts, and the genuine Ford methods are applied in the care  
 of this car.  
 The Ford Coupe administers to a great variety of owners,  
 from the physician to the traveling man, from the engineer to the  
 architect, and then for a pleasure car for two it is unbeatable. We  
 ask your early order if you want a Ford Coupe, because we want  
 to make delivery as quickly as we can, but we must have a little  
 time. Come in and talk it over.
